Three nights. Four days. Seven writers. One luxurious mountain getaway only 30 miles from the heart of Denver. A place to write. A place to share. A place to indulge.

THE WRITING FOCUS

This 4-day/3-night retreat combines private writing time with opportunities each day to share and discuss your work with Page and the other six writers-in-residence. Page Lambert, a graduate-level

writing instructor and leader of writing retreats for twenty-five years, will facilitate the discussions, offering specific craft-based feedback. Each writer will also have the opportunity to meet one-on-one with Page to discuss your project, writing challenges, goal setting, and more. Sunday will include a discussion on publishing basics, from querying literary agents to researching editors, imprints, and more. The workshop is appropriate for long and short-form fiction, creative nonfiction, memoir, essay and poetry. Once you have registered, Page will be in touch about what to bring, etc.
